RE: One-Year Extension of Time  
Treatment Works Approval (TWA) No. 07-0023  
Active Adult Community  
Mount Olive Township, Morris County

Dear Leslie Smith, Jr.:

This is in response to your request for a one-year extension of time to proceed with construction of the treatment works approved under the above referenced permit. Based upon the information presented in your letter, we have decided to grant an extension of time for a period of one (1) year, in accordance with N.J.A.C. 7:14A-22.12.

Therefore, the new expiration date for Permit No. 07-0023 issued on 04/05/2007 shall be 04/04/2010. Unless construction of the treatment works approved under the above noted permit is initiated by that date or an additional time extension granted, this permit shall become null and void.

Please note that each time extension is granted for a maximum period of one year and no permit will be extended beyond a total of five (5) years from the original date of the permit. If there are any questions concerning the above, please contact Jay Acharya of this office at (609) 292-3025.

Sincerely,

Gautam R. Patel, Chief  
Bureau of Financing and Construction Permits
