RE: Channel Change

Effective December 2, 2008, Channel 299, used to access HBO On Demand programming, will no longer be available. The programming will continue to be accessible via Channel 1 On Demand and the On Demand menu.

Customers are being notified via a newspaper advertisement in the Express Times on October 13, 2008. The copy will read:

“Attention Comcast Customers

Effective on or about December 2, 2008, HBO On Demand programming will continue to be accessible via Channel 1 On Demand and through the Premium channel section of the On Demand menu; however, this content will no longer be available on Channel 299. If you have any questions please contact us at 1-800 COMCAST.”

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Area Director of Government and Community Affairs, at 908.258.8143 or me at 908.851.6854.
