RE: Channel Correction

Please be advised that one of the channel numbers in our notice of November 7, 2008 was incorrect. The following advertisement will appear in the Express Times on November 14, 2008.

“Attention Comcast Customers

On November 11, 2008, the In Demand pay-per-view service launched an additional pay-per-view channel on Comcast Digital Cable Channel 760 as part of its NBA League Pass PPV subscription package, not Cable Channel 750 as previously announced. Please call 1-800-COMCAST with any questions.”

Please accept our apologies for the inconvenience. Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Area Director of Government and Community Affairs, at 908.258.8143 or me at 908.851.6854.
