Dear Ms. Hill:

As a follow up to our conversations and response to your August 27, 2008 letter, we herein submit the following items for the above referenced project.

1. A Boundary and Topographic Survey Plan certified by a licensed New Jersey Professional Land Surveyor dated October 28, 2008 as prepared by Dykstra Walker.
2. A site plan/plot plan dated October 28, 2008 prepared by Dykstra Walker certified by a licensed New Jersey Professional Engineer and Land Surveyor showing all proposed development, including structures, grading, clearing, impervious surfaces (less than 0.25 acre), limits of disturbance (less than 1 acre), and the metes and bounds disturbance area delineation for the project. It also includes supporting calculated values for proposed impervious surfaces.
3. Revised pages 2, 14 and 15 of the application to reflect that his application is for Block 7102, Lot 3 and not both Lots 2 and 3 with a revised Certification page (page 16) of the application to reflect the new date of submission.

Sincerely,
 Woodmont Properties

Steven Varneckas
 Vice President and Director of Development
