## League e-Bulletin to Municipal Clerks

**International Council of Shopping Centers and the NJ Economic  
Development Authority  
Present the Alliance Program  
*Land Assemblage in a Hostile Environment*  
March 18, 2010 at the Hilton Woodbridge**

(program and registration form)

Learn about assembling land for development without invoking  
condemnation.

Also, learn about new development opportunities through vertical  
development, landfill reclamation, and water infill.

The Alliance Program is a special ICSC initiative that provides forums for the public and private sectors to network, share ideas, discuss industry issues and explore retail development opportunities. ICSC Alliance meetings are both time and cost effective opportunities for public officials, developers, retailers and other industry leaders to grow their relationships and learn from one another.
