RE: Channel Changes

On or about March 29, 2010, the following channels will be added to these levels of service:

- Digital Classic: Centric (ch. 174)
- Sports Entertainment Package: ESPN (ch. 730)
- On Demand: Searchlight Entertainment (ch. 986), Searchlight Shop 987 (ch. 987), Searchlight Automotive (ch. 989), Searchlight Travel & Leisure (ch. 991), Searchlight Jobs by Monster (ch. 992) and Searchlight (ch. 988, 990, 993).

Digital equipment and subscription to the appropriate level of service are required to receive these channels.

Additionally, on March 22, 2010 WPIX will discontinue their LATV service (ch. 250).

Comcast is notifying customers via a newspaper advertisement in the Express Times on February 26, 2010.

Finally, beginning with the February 16th bill cycle, the following message will appear on customer statements: "Effective March 29, 2010, Fox will begin to discontinue the distribution of Fox Reality Channel, available to Comcast Digital Classic customers on channel 108, and will replace Fox Reality Channel with the following new service: National Geographic Wild."

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Director of Government Affairs, at 908.258.8143 or me at 908.851.6854.
