Re: Housing Update

Dear Mayor:

As we reported to you in our Dear Mayor letter on Friday, S-1 was amended on the Senate floor yesterday. The new amendments are not yet available but should be posted at <http://www.njleg.state.nj.us> shortly.

The Housing Opportunity Task Force, chaired by former Senator Marcia Karrow, presented its report to Governor Christie on Friday. The report is available online at:

http://www.state.nj.us/governor/news/reports/pdf/20100323_COAH.pdf

The League is reviewing both the amended bill and the Task Force report and will advise you of developments.

Questions can be directed to Mike Cerra at mcerra@njslom.com or 609-695-3481 x120.

Very truly yours,

William G. Dressel, Jr.
Executive Director

New Jersey League of Municipalities
