Attention Phil Tobey
Council President

Dear Councilman Tobey:

It has come to my attention that certain senior services now offered by Mt. Olive Township may be discontinued.

I am writing this letter on behalf of my mother who is now 90 years old and has been a resident of Mount Olive Township for 30 years. My mother and I had the pleasure of working with Diane Brochu, Senior Services Director. She has assisted my mother on numerous occasions filling out forms, providing information regarding available programs for which she may qualify, reviewing documentation she may have received and did not understand, answering questions with regard to Medicare/Medicaid, advising upcoming events, as well as coordinating them. Her expertise in this area has been extremely helpful. Diane offers a tremendous amount of support to all seniors, and would be greatly missed.

My mother has since moved to Senior Housing, which is also located in Mt. Olive. I am my mother's sole care giver, and I know the importance of these services to her and others who live in her building. Diane is a friend and someone who can be counted on when they need help or have questions.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "JoAnn Moran". The signature is fluid and cursive.
