Re: Humberto Ramilo
Block 2514, Lot 4
39 St. Johns Road
Twp. of Mt. Olive, Morris County

Dear Ms. Lashway:

On behalf of our client, Humberto Ramilo, Careaga Engineering, Inc. is submitting a Highlands Applicability Determination application to the Division Of Watershed Management. Mr Ramilo is proposing to subdivide the lot and construct a new dwelling and driveway on the new lot. The existing lot is already developed. As a requirement of submission, we are to notify you and supply you with a full copy of the application (enclosed). The application is to be available for public inspection.

If you should have any questions or require any further information, please contact this office at the above phone number or address.

Sincerely

A handwritten signature in black ink, appearing to read 'Luther E. Van Pelt III'.

Re: Humberto Ramilo
Block 2514, Lot 4
39 St. Johns Road
Twp. of Mt. Olive, Morris County

Dear Sir/Madam:

On behalf of our client, Humberto Ramilo, Careaga Engineering, Inc. is submitting a Highlands Applicability Determination application to the Division Of Watershed Management. Mr. Ramilo is proposing to subdivide the lot and construct a new dwelling and driveway on the new lot. The existing lot is already developed. Application contents are as follows:

1. 1 completed Highlands Consistency Determination Application;
2. 1 application fee of \$750.00 (chk #99);
3. 1 copy of Municipal Tax Map;
4. 1 copy of U.S.G.S. Map;
5. 1 copy of letter from Musconetcong Sewage Authority stating that sewage capacity is available and that service will be provided for projects meeting regulatory requirements.
6. 1 copy of a letter from the Township of Mount Olive stating that the sewer system was completed and activated in 1998.
7. 1 copy of notification letters to Highlands Council and Township Clerk and certified mail receipts;
8. 1 copy of model letters to required government agencies with certified mail receipts (No Municipal or County Environmental Commissions Exist).
9. 1 copy of Minor Subdivision Plat, as prepared by Careaga Engineering Inc., showing metes and bounds of the existing and proposed property lines, dated 3/30/10. The plan has been signed by a NJ Professional Land Surveyor.
10. 1 copy of Limit of Disturbance/Site Plan showing the proposed development, the disturbance limits, impervious coverage calculations and property features. The boundary is shown as the limit of disturbance and the metes and bounds of the boundary are shown on the Minor Subdivision Plat which is included in this submittal.

If you should have any questions or require any further information, please contact this office at the above phone number or address.

Sincerely,

Careaga Engineering, Inc.
