Re: Survey Revisions for a Letter of
Interpretation, NJDEP File # 1427-08-0004.1
Applicant: The Rockefeller Group
Block 103, Lot 2.04
Mt. Olive Township, Morris County, New Jersey

Dear Ms. Michniewski:

With regard to the NJDEP issued Deficiency Letter dated February 17, 2009, please find five copies of a revised wetland survey. The revised survey includes the additional wetland swale area that you identified during your site inspection of the above-referenced site.

I trust this information should allow you to issue the LOI shortly. Thank you for your time and consideration. Should you have any questions, please feel free to call me at (973) 366-9500.

Very truly yours,
EcolSciences, Inc.
