Dear Municipal Clerk:

We ask that you please share the following information with local elected and appointed officials in your community, as well as downtown merchants, business organizations and community/civic groups.

The Department of Community Affairs' (DCA) Main Street New Jersey Program is accepting registrations for the June session of its 2010 Downtown Revitalization & Management Institute program. The two-day seminar on June 21 and 22 at Thomas Edison State College in Trenton will explore how to revitalize downtown commercial districts for New Jersey's new economy. Day 1 will cover such key topics as strategies to retain local businesses and reinventing downtowns for the next decade. DCA Acting Commissioner Lori Grifa is scheduled to speak and Lt. Governor Kim Guadagno has been invited. Day 2 will focus on bringing business back to Main Street and ways to improve local economies today.

Please register (www.mainstreetnewjersey.com/regform.html) by June 18 to attend the seminar. The registration webpage includes directions to Thomas Edison State College. For general information about the Main Street New Jersey program, please contact Jef Buehler, Director of Main Street New Jersey, at (609) 633-9769 or jefb@dca.state.nj.us.
