RE: *New Jersey Municipalities* - The Magazine Published With YOU in Mind

Dear Mayor:

For over 30 years, I have been representing Mayors and other municipal officials in our State's Capital. So I have some perspective on government issues and operations. I have to honestly tell you that I have never seen a more challenging environment for local officials, struggling to serve their fellow citizens effectively, efficiently, economically and ethically.

At times like this, municipal officials need all the help they can get. One resource that should not be ignored is *New Jersey Municipalities*. Our award winning magazine is the only publication of its kind in the State of New Jersey. As such, it has been relied on by government officials, municipal employees and local government organizations for almost a century. And in our current environment, it is indispensable for keeping all municipal officials abreast of new initiatives and changing legislation in our State's, and in our Nation's, Capital.

Your municipality's subscriptions to *New Jersey Municipalities* will soon be scheduled for renewal. Please don't let them lapse. Just as you depend on the information you get from the League, we depend on informed local officials communicating with their State and Federal representatives. And *New Jersey Municipalities* is an irreplaceable part of that process.

I hope you keep this in mind, when you receive your magazine renewal notices. Thank you for your consideration and for all you do in service for the people of our Garden State.

Very truly yours,

William G. Dressel, Jr.
Executive Director
