Re: Senior Transportation

Dear CDBG, HOME and ESG Applicants:

It is with regret that I must inform you that your 2010 grant application has not been selected by the Morris County Board of Chosen Freeholders to receive an award. The decision was based upon recommendations submitted by the Community Development Revenue Sharing Advisory Committee, a body of volunteers from across the county, which evaluates applications submitted by municipalities and non profit organizations. For a list of all funded projects, please visit [www.MorrisCommunityDevelopment.org](http://www.MorrisCommunityDevelopment.org).

Although you were not successful this year, that does not preclude your organization from resubmitting the same project, or others of similar merit, next year. Applications for 2011 will be posted to the website in November of this year.

Should you have any questions, please contact Sabine von Aulock, Director of the Division of Community Development at 973-285-6060

Sincerely,

Frank T. Pinto, Jr.  
Director
