Dear Ms. Lashway,

Thank you for providing me with a copy of the Resolution from the Township Council of the Township of Mount Olive regarding Senate Bill 458 which calls for a referendum to consolidate the offices of municipal tax assessor and municipal tax collector, as well as health services and animal control services at the county level.

The bill has been referred to the Senate Community and Urban Affairs Committee for review. Please be assured that I oppose Senate Bill 458 and will vote against it should it reach the full Senate for a vote.

Thank you again for contacting me on this matter. If I can assist you again on this issue or any other state matter, please do not hesitate to contact me.

Sincerely,

Thomas H. Kean, Jr.
