Subject: 2009 Application Round for Main Street New Jersey Designation

Dear Municipal Clerk:

We ask that you please share the following information with local elected and appointed officials in your community, as well as downtown merchants, business organizations and civic groups.

The Department of Community Affairs (DCA) invites municipalities with traditional downtowns or commercial corridors to apply to its Main Street New Jersey Program, which provides participating communities with proven technical assistance and training in revitalizing downtown business districts. The 2009 application process will begin with a free application workshop from 1 p.m. to 4 p.m. on June 30 at Thomas Edison State College in Trenton. Letters of Intent to Apply are due by July 30 and communities must submit their applications by September 9. The DCA encourages local officials, as well as interested residents, merchants and property owners to attend the free workshop to learn more about the application process. Please log on to www.mainstreetnewjersey.com/regform_appwkshp.html to register for the workshop, review the latest registration details, and get directions to Thomas Edison State College. You can also contact Jef Buehler, Director of Main Street New Jersey, at (609) 633-9769 or jefb@dca.state.nj.us for more information.
