Re: Resolution Supporting Governor Christie's 2.5% Cap

Dear Ms. Lashway:

I am in receipt of the Township's resolution regarding the above-referenced matter and thank you for same. I appreciate the Township taking the time to make me aware of its concerns and position regarding this matter. Governor Christie's plan for initiating financial reform will require the full support of the voters of New Jersey. You have taken the first step at the local level, which sends a strong message to the Mt. Olive Township residents.

Please don't hesitate to contact me in regards to this or any other issue in the future.

Regards,
