HEALTH REFORM CHECK UP: A PROGRESS REPORT ON THE NEW LAW AND A LOOK AHEAD
THURSDAY, JUNE 10, 2010 2:00 PM

Hosted By Chip Davis, Senior Operating Officer, PhRMA, and Vice President of Corporate External Relations, AstraZeneca.

We Work For Health invites you to join us for an overview of the recently passed health reform legislation and discussion on how the biopharmaceutical industry is moving forward following the debate. The program will be held for all industry employees via webcast and/or teleconference. Participants will be able to join the discussion using Facebook. In addition, on-demand viewing will be available following the program on the We Work For Health website.
