Dear Mrs. Rutherford:

The Department has received your Out-of Service Extension Request and Site Investigation Report on April 1, 2008 for the tank systems at the ExxonMobil Service Station listed above. The Department is currently reviewing the Site Investigation Report. Until otherwise notified by the Department, ExxonMobil Oil Corporation may continue keeping the tank systems out of service as long as ExxonMobil complies with the Out of Service Requirements listed in N.J.A.C. 7:14B-9.1 (b) and (c).

The conditions of this letter apply only to ExxonMobil Oil Corporation. They cannot be transferred to any other owner or operator of this site.

If you have any questions, please call me at (609) 633-1435.

Sincerely,

Rafael Rivera, Supervisor
