Dear Ms. Jennifer Desmond:

On behalf of our client, S & H Builders, Inc., Careaga Engineering, Inc. is submitting the revised and additional information you requested for the above noted Highlands Applicability Determination Application. The additional information is enclosed and consists of the following:

1. Current deed for property owner and deed from previous property owner indicating the property existed prior to August 10, 2004.
2. The Narrative Description has been signed and sealed by a licensed land surveyor.
3. The Existing Conditions Plan has been sealed by the surveyor.
4. The revised Section IV, Table 2 now shows the proper flow for conveyance to a wastewater treatment facility. The name, address and NJPDES Permit number for the treatment facility have been added.
5. Included is a letter from the sewerage authority indicating that service will be provided.
6. Included is a letter from the Township DPW that the sewer line was in existence prior to August 10, 2004.
7. A new certification page with the new signature date is enclosed.

If you should have any questions or require any further information, please contact this office at the above phone number or address.

Sincerely,

Careaga Engineering, Inc.
