Lisa, What can we do/?? It is not fair to give sewers to new people and none to the 2 streets that need it the most. I would like to keep them all from driving on these 2 streets, it is crowded enough as it is, you, the council, are running off the people who live in the historical part of Flanders. Our septic won't last much longer, please tell us what to do to get our streets (Main and Park Pl.) sewers, it simply isn't fair to us. Can you forward this to the council?? Please let me know when the next meeting is, I want to be there. Phyllis Shelton
