RE: 90-day Municipal Notification of Targeted Farms
N.J.A.C. 2:76-17.6

As required by N.J.A.C. 2: 76-17.6 "County Application Procedures", this correspondence and the enclosed material serve as the County's annual notice to your municipality of specific farms targeted for preservation in your community.

These farms may be submitted as part of our Planning Incentive Grant (PIG) application to the SADC for the coming fiscal year. We will be submitting our third annual PIG application before the December 15, 2009 deadline set for the FY2010 round of State funding for farmland preservation easements.

Information about specific targeted farms can be found on our website: <http://www.morrispreservation.org>. Please feel free to submit any written comments and feedback you may have to our office during the next 60-day period. Morris CADB staff can be reached at (973) 829-8120.
