RE: MSG (Madison Square Garden) and MSG Plus

Effective on or about September 30, 2010, Comcast will air MSG on channel 707 and MSG Plus on channel 708, and select games available from MSG2 on channel 709 and MSG Plus2 on channel 710. MSG and MSG Plus will continue to be available on their current two digit channel locations but now also available near other sports programming. Games that previously appeared on TV Guide Network will only be seen on channel 709 or 710. Any On Demand programming previously viewed on channel 708 or 709 can be accessed through the regular On Demand menu.

Comcast is notifying customers of these changes via an advertisement in the Star Ledger (Daily) and Express Times on August 30, 2010.

As always, if you have any questions or concerns, please do not hesitate to contact Charles L Smith, Director of Government Affairs, at 908.258.8143 or me at 908.851.6854.
