Dear Mayor,

The Mayor and Council of Roxbury Township wish to extend our sincere thanks for the recent aid your community provided in dealing with the severe bus accident of August 22nd on Route 80.

Over 30 Communities or Agencies responded or supported the effort, and over 30 individuals had to be transported to area hospitals. Such an undertaking could not have been accomplished without the support of volunteers and employees from your community. Your community's efforts should be held aloft for all to acknowledge and for other communities to emulate.

In times of such need it is reassuring to know that our neighbors are there to support us.

This incident reminded and fortified our belief that there is no better County in New Jersey in which to live. We can all be proud of our EMS, Police and fire services, which are some of the best in the United States.

In Gratitude,

Mayor Timothy L. Smith

Thank you!
