RE: Limited Basic price reduction

As a courtesy, and in the event you receive questions, please be advised that effective September 18, 2008, the price of Limited Basic was reduced to \$13.90 per month in accordance with a Stipulation of Settlement with the NJ Board of Public Utilities. Customers paying tariffed rates for Limited Basic, Standard, Standard with Digital Classic and Digital Preferred, are affected and their bills have been adjusted accordingly. Customers qualifying for the PAAD discount will also see their rates reduced. Customers receiving services at a package or promotional rate are not affected.

Should you have any questions on this or another Comcast matter, please do not hesitate to contact Charles L. Smith, Area Director of Government and Community Affairs, at 908.258.8143 or me at 908.851.6854.
