TUFF GREENS

RECEIVED
SEP - 8 2009
Mount Olive Township Clerk's Of

NOTICE OF BRUSH MOWING & HERBICIDE

Block 800 Lot 32
Mount Olive Township,
1 Dorset Drive
Mount Olive

Block 801 Lot 1
Mount Olive Township,
10 Dorset Drive
Mount Olive

Date: 9/4/09

Lot:

Public Service Electric and Gas Company (PSE&G) owns the high voltage electric transmission right-of-way located on your property. The electric transmission lines on this right-of-way are essential for PSE&G to meet its commitment to provide safe, adequate and reliable electric utility service to consumers throughout New Jersey. Maintaining proper tree clearance from the power lines is absolutely necessary to assure:

- the continued safety of homeowners living near the transmission power lines,
- the safety of PSE&G employees and contractors working on the power lines, and
- the reliability of the electric utility system.

The overgrown vegetation on the PSE&G right-of-way, now requires maintenance of the right-of-way. As such, Tuff Greens, a private contractor working for PSE&G, will **mow & herbicide** brush and woody vegetation on PSE&G's Right of Way. **This work will begin, weather permitting, on or about** 9/8/09

If you have any questions, concerns, or would like to review whether the work will effect any vegetation on your property please telephone George Smitte at 973-983-0640

Thank you,

George Smitte
