To: Mr. Bill Sohl, Administrator,

**From: MOT Senior Center Building Committee:
Mrs. Marie Ruggiero**

I am so pleased to get such a quick response to my concerns of the conditions that existed at the Senior Center Building. In all the years that we have been meeting at the building and all the hours spent happily there it is the first time that we have seen such a positive attitude by the Council, Department heads and Mayor.

It is so gratifying to see the hustle by Building and Grounds towards doing the landscaping.

I can never thank you enough .

If the meeting planned on the 29th of July is set to go, there is no doubt in my mind that the committee will be there.

You have made me "one happy senior".

There are a few issues that I did not bring up as it was not the proper time to mention them.

I will have them jotted down for your review.

Sincerely,

July 23, 2008

**Copies to Mayor, Council,
Department Heads, Don Cartwright**
