Families or individuals may use FIELDS, if the field is not being used by a group with a permit. Rules applicable to non-group use are based on treating the field respectfully and are called General Use Rules.

General Use Rules for EVERYONE (General Public and groups):

- All debris resulting from the activity must be picked up and disposed of properly, including recyclables.
- Township Ordinance prohibits smoking and consumption of alcoholic beverages at all Municipal and School fields and facilities. No grilling is permitted.
- Parking is allowed in designated vehicle parking areas only. No parking or vehicles are permitted on fields and/or grass areas at any time. Please be considerate of residents who live adjacent to park and school areas; as parking is prohibited on their private property.
- Report all problems encountered with the facility of field to the Mt. Olive Township Recreation and/ or Parks, Buildings and Grounds Department within 24 hours of the conclusion of the activity.
- Fields will be monitored on a regular basis to determine playing conditions. Fields may only be used when conditions allow. To maintain the quality of the playing surfaces on fields, fields will be closed for scheduled or unscheduled maintenance and weather conditions. When the Field Closed sign (or Red Flag) is displayed, then the field is closed for use until the Parks, Buildings & Grounds Supervisor or a designee of the department declares the field "open" for play. No one and No Group is allowed to enter a closed field for a game or practice! Field closures involve safety issues.
- Anyone using a field/facility must leave it in proper condition.
- Ordinances concerning Parks, Chapter 176 of the Mt. Olive Township Administrative Code
 - No person shall injure, alter, damage any plant life, grounds or any structure, playground equipment, park structures or amenities excavation of any kind.
 - No person over the age of six years shall use the rest rooms and bathrooms designated for the opposite sex. Every person using the bathrooms and washrooms shall cooperate to maintain them in a neat and sanitary condition.

- Ordinances concerning Noise, Chapter 160 of the Mt. Olive Township Administrative Code. § 160-12. Prohibited acts.
 - A. No person shall cause, suffer, allow or permit to be made verbally or mechanically any noise disturbance. (NOISE DISTURBANCE -- Any sound that endangers the safety or health of any person or disturbs a reasonable person of normal sensitivities or endangers personal or real property.)
Noncommercial public speaking and public assembly activities conducted on any public space or public right-of-way shall be exempt from the operation of this section.

Be a good neighbor – when using a sound system (music, PA, radio, etc.), keep the sound levels low, so that the noise does not extend beyond the boundaries of the activity area. Special events have a specified planning procedure and must abide by the restrictions of the noise ordinance, unless a waiver is obtained through Township Council.
