

NOTICE

MOUNT OLIVE TOWNSHIP RESIDENTS

Mount Olive Ordinance #44-2007

Regulates the use of Fertilizers which contain

PHOSPHORUS

Expressed as P205 on packaging
(2nd ingredient on label)

The Mount Olive Township Council, Environmental
Commission in cooperation with the Mount Olive Health
Department

REQUIRES
the use of

“LAKE FRIENDLY FERTILIZERS”

when treating residential properties, thereby reducing
excess amounts of nutrients that may enter our lakes,
streams and waterways causing irreparable harm to
BUDD LAKE and the environment
