President Nicastro: Mr. Roman, would you move Non-Consent Resolutions one and two please?

Mr. Roman: I move for approval . . .

Miss Masser: You want . . .

Mr. Roman: . . . Non-Consent Resolution number one.

Miss Masser: Do we want to do them separately?

President Nicastro: Separately or . . . number one.

Mrs. Labow: Yeah.

President Nicastro: Okay.

Mr. Roman: Can I get a second?
President Nicastro: Second?

Mr. Ferrante: Second.

Mrs. Labow: Second.

President Nicastro: Anyone from the public wish to be heard? Council? Anything from Council on that? Roll Call please.

ROLL CALL: Passed unanimously

President Nicastro: Mr. Roman, Non-Consent Resolution number two.

Mr. Roman: I’d like to move for approval, Non-Consent Resolution number two.

Mrs. Labow: Second.

President Nicastro: Anyone from the public wish to be heard? Seeing none. Closed to the public. Any Council? Mr. Roman.

Mr. Roman: Yeah, I’d like to commend the Administration in conjunction with the New Jersey DOT for finally making some improvements to that intersection. It’s long overdue. I hope it goes a long way to reducing some of the accidents at that location.

President Nicastro: Thank you. Did we have . . . Did we have a second? We did, right?

Mrs. Labow: I seconded.

President Nicastro: Oh, I thought I heard you . . .

Miss Masser: Colleen seconded.

Mayor Greenbaum: Just remember what I said before. When you start changing traffic flow, you cause issues elsewhere. Imagine what Wolfe Road intersection is going to become now, if you don’t allow left turns going in on Old Wolfe Road. I do recognize that there is a significant safety issue at Old Wolfe Road and Route 46, but without improvements like a left-turn lane, at Wolfe Road and Route 46, you’re going to have stacking like you can’t believe at that intersection, especially for the people who are accessing the apartments that used to take Old Wolfe Road.

Mr. Roman: Yeah, unfortunately, I think this is one of those situations where I think a little inconvenience down the line . . .

Mr. Stewart: Safer.

Mr. Roman: . . . is worth . . . is worth it if it could prevent any . . . any serious accidents.

Mayor Greenbaum: I’m not sure that it’s just inconvenience, though. What’ll happen, ultimately, is that people will try and jump the light and/or go through the yellow or red because it’s such a . . . it’s going to be such a long wait at that intersection. You may just be pushing the problem from one intersection to the next. It’s not just a . . . that you’re going to inconvenience somebody.

Mrs. Labow: Is . . .

President Nicastro: Mrs. Labow.

Mrs. Labow: . . . is that light there at that intersection a left-hand turn?

Mayor Greenbaum: It is, but you have traffic, you have two lanes, there is traffic . . .

Mrs. Labow: Right.

Mayor Greenbaum: . . . that is still going straight . . .
Mrs. Labow: That’s still going straight . . .

Mayor Greenbaum: . . . at that . . . in that lane.

Mr. Stewart: It does have a turning lane.

Mayor Greenbaum: It doesn’t have a turning lane.

Mrs. Labow: It doesn’t . . .

Mr. Stewart: Oh, it has a turning light.

Mrs. Labow: . . . have a turning lane but it has a left . . .

President Nicastro: Just a light.

Mayor Greenbaum: It has a turning arrow . . .

Mrs. Labow: Arrow.

Mayor Greenbaum: . . . but both lanes of travel . . .

Mrs. Labow: Go straight.

Mayor Greenbaum: . . . continue to go straight. So, you will still have issues at that intersection as you change the traffic flow. I’m not saying that it won’t improve the situation. I don’t know the answer to that question.

President Nicastro: Thank you. Does anyone from the public wish to be heard or did I ask that already? I don’t remember. Seeing none. Closed to the public. Roll Call please.

ROLL CALL: Passed unanimously

President Nicastro: Mr. Stewart, would you please move the Bill List?

MOTIONS
1. Bill List.

Mr. Stewart: Thank you, Mr. President. I move the Bill List for . . .

Mrs. Labow: Second.

Mr. Mania: Second.

President Nicastro: Anyone from . . .

Miss Masser: Was that Colleen?

Mrs. Labow: I started.

President Nicastro: She started; John finished.

Mrs. Labow: It was a joint effort.

Miss Masser: All right. I’ll make it Colleen.

President Nicastro: Yeah, John’s slowing down. Anyone from the public wish to be heard? Seeing none. Closed to the public. Anyone from Council? Roll Call please.

ROLL CALL: Passed with the exception of Mr. Nicastro, who abstained on check #84853

President Nicastro: Administrative Reports.
ADMINISTRATIVE REPORTS

Mayor Greenbaum: First, I’d like to wish Andrew a happy birthday and John Ferrante, a happy early birthday.

Mr. Ferrante: Thank you.

Mrs. Labow: Oh, there you go.

Mayor Greenbaum: It’s amazing how . . . your birthday’s on Friday, right?

Mr. Ferrante: Yes.

Mayor Greenbaum: I am so on top of everyone’s birthdays except for Lisa’s, for some reason. Senior Awards will be taking place this evening at the high school. I’ll be presenting a check to Alexander Jung for his essay, “What Community Service Means to Me.” Thursday, June 13, 2019, there will be a Bridging Ceremony for many of our Girl Scouts at 7:15pm at the Mount Olive Middle School. Finally, Saturday, June 15, 2019, our famous Raiders of the Lost Park Mud Run from 8am to 2pm. There are over 250 pre-registration participants, thus far. It’s supposed to be a beautiful day. On-site registration will also be available. Finally, Happy Father’s Day to all.

President Nicastro: Thank you. Anything else? Nothing?

Mrs. Labow: What do we . . .

President Nicastro: Okay.

Mrs. Labow: Are we going to talk about tomorrow morning at the County College? The contract.

Mayor Greenbaum: Oh, I’m not going. I’m on trial, so if you want to speak about it, that’s fine.

Mrs. Labow: Well, I don’t know. You guys have more details on what it’s all about. Right? Andrew?

Mayor Greenbaum: I don’t either.

Mrs. Labow: The CCM?

Mayor Greenbaum: I really . . . yeah, I saw the email go around as to who could attend . . .

President Nicastro: Yeah, we got the flyer.

Mayor Greenbaum: . . . but because I knew that I’m on trial and I couldn’t attend . . .

Mrs. Labow: Oh, so you didn’t go.

Mayor Greenbaum: . . . I didn’t really pay that close attention to it, so I don’t have the details.

President Nicastro: Yeah, we don’t know much more about it other than the flyer.

Mrs. Labow: Yeah, I believe it’s that they were going to be working in conjunction with County College for students to . . .

Mr. Mania: Here it is.

Mrs. Labow: . . . earn . . .

President Nicastro: Yeah.

Mrs. Labow: . . . oh, here we go.

Mayor Greenbaum: Oh, they’re going to earn their . . .

Mrs. Labow: General Education classes and . . . you know, so, when they graduate from high school, they’re already going to have credits for high school. Correct?
Mayor Greenbaum: Credits for college, . . .

Mr. Stewart: College.

Mayor Greenbaum: . . . you mean.

Mrs. Labow: I mean college credits, thank you.

Mayor Greenbaum: Yeah.

Mrs. Labow: Which is a huge savings all the way around. The kids get to, you know, get a jump start, parents get to save some money on it. Tomorrow morning is a the Titan express dual enrollment agreement at County College. I think it’s a great program even though I don’t know a tremendous amount about it. I think it’s . . . I heard a lot of people were really excited about it. Great work.

President Nicastro: Thank you. Any Old Business?

OLD BUSINESS

Mrs. Labow: I have Old Business.

President Nicastro: Yes.

Mrs. Labow: I have to ask . . . Andrew, what’s going on with Waterloo Valley Road? With the Stop Work Order and all that. Has anything come of that?

Mr. Tatarenko: Not yet. They’ve still not been allowed to operate. We had a preconstruction meeting yesterday, and at that time we still didn’t feel like the conditions had been met. We’re . . . they haven’t been given the “okay” to operate.

Mrs. Labow: The residents were videotaping, saying that they are still. What are we doing about that?

Mr. Tatarenko: The videotape that I received was earlier last week, which is . . . at the time when the Stop Order was issued. The owner has told us that the gates are locked. Chuck McGroarty inspected the facility today and there was no truck activity there, so, any increase in truck traffic might just be their neighbor from Saxton Falls.

Mrs. Labow: Oh. Yeah.

Mr. Tatarenko: That’s the only thing that I could point my finger on.

Mayor Greenbaum: We’re going to keep a close eye on it, though. If they violate the Stop Work Order, we’re going to put the full resources of the Township behind it until we can resolve the concerns of the residents.

Mr. Tatarenko: I’ve also asked . . .

President Nicastro: We’re still waiting on the . . .

Mr. Tatarenko: Yes, I’ve also asked . . .

President Nicastro: . . . the Developer’s Agreement. They still didn’t . . .

Mr. Tatarenko: Excuse me, the what?

President Nicastro: They didn’t sign the Developer’s Agreement yet.

Mr. Tatarenko: No, they did. They’ve signed the Developer’s Agreement. They posted their . . .

President Nicastro: Oh, okay.

Mr. Tatarenko: . . . bonds and their escrow, so that’s all been . . .

President Nicastro: Good.
Mr. Tatarenko: ... complete. I’ve asked the Police Department to do a traffic study in the area to see what possible weight restrictions at our other detours are ... our traffic patterns are available.

President Nicastro: Good. At least we’re moving forward on it. Appreciate that.

Mrs. Labow: Thank you.

President Nicastro: Thank you. Any New Business? Any Legal Matters?

NEW BUSINESS - none

LEGAL MATTERS - none

Mr. Pasternak: Nothing.

President Nicastro: That’s nice. Council Reports. Mr. Amianda, anything from the Board of Education or Seniors?

COUNCIL REPORTS

Board of Education Liaison Report
Senior Citizen Liaison - none

Mr. Amianda: Board of Education held its Work Session meeting on Monday, June 3, 2019 at the Administration Building, 6:30pm. After Opening Activities, Call to Order, Flag Salute, and Mission Statement, the Board of Education held 2018-2019 Winter/Spring Sports Board of Education Awards Ceremony for outstanding athletics. The Athletic Department recognized the Mount Olive Board of Education and Dr. Robert Zywicki, Superintendent of Schools, for their continued support and promotion of both student academics and athletics. The Board discussed Committee Reports and took action on personnel, curriculum, technology, finance and operations, and administrative action items. The Board approved the use of school buses owned by Mount Olive Township Board of Education for field trips for the Mount Olive Township Recreation Department during the summer of 2019 at a cost of $35.00 per hour. The Board approved Harassment, Intimidation, and Bullying (HIB) Report for May, as required by the law. The Board also accepted School Emergency Evacuation Drill Report for each school in accordance with the Administrative Code. Dr. Robert Zywicki, Superintendent of Schools, discussed his proposal for Education Foundation for Mount Olive School District. The Board and the public were very receptive of the Superintendent’s future recommendation. The purpose of that foundation will be to ... will allow the schools ... the schools to accept donations from people if they don’t have money in the balance to meet their required needs. In other words, let’s say if there is a shortage, this award ... and the money was not budgeted, someone can come from the community and wish to donate a donation and the school foundation will be able to accept that. It’s like a non-profit foundation but mostly will be for the school. The Board and the public were very receptive of the Superintendent’s future recommendation. The Board also approved breakfast and lunch prices from 2019-2020 school year. Now, Middle School 8th Grade Promotion Ceremony will be on Thursday, June 20, 2019, 7:00pm. High School Graduation, this year, will be on Friday, June 21, 2019, 6:30pm. That was the main points that I took from their meeting. One other thing I wanted to say, the parent’s public attendance at the Board meeting was very high. The Board room was full ... standing room only. Something which I’ve not seen happen when holding a meeting like that. There’s only ... right now the School Board has a very good Superintendent of Schools, which the public seems to like what he’s doing and there are always a lot of activities at their meetings. That is the end of that.

President Nicastro: Thank you, very much. Mr. Ferrante, anything from Lake, Environmental, or Library?

Environmental Committee - none
Lake Issues
Library Board Liaison - none

Mr. Ferrante: Just on the Lake. The Budd Lake’s been surveyed a few times, the last few weeks. It looks like the Eurasian Water-Milfoil has not been observed. Weed harvesting will begin ... I don’t know if ... did it begin?

Mrs. Labow: It did.

Mr. Tatarenko: We started last week.
Mr. Ferrante: Last week.

Mrs. Labow: Yeah.

Mr. Tatarenko: Mhm.

Mr. Mania: Yeah, they started.

Mr. Ferrante: So, I think it’ll go on for a few weeks.

Mrs. Labow: Yeah.

Mr. Mania: By Nick’s Tavern.

Mr. Tatarenko: Yeah, they didn’t harvest today because of the wind but . . . they’ve been out there and . . .

Mr. Mania: Yup.

Mr. Tatarenko: . . . it’s been working out well.

Mr. Ferrante: Good. That’s it.

President Nicastro: Thank you, very much. Mr. Stewart, anything on Economic Development and Community Action Panel?

Economic Development Committee Report
Community Action Panel Report

Mr. Stewart: Yes. Last week, in cooperation with Morris County Economic Development Corporation and the Mount Olive Economic Development Committee, hosted a Western Region EDC meeting. Six towns participated and over 48 people were in attendance. It was held up at Lake Hopatcong and it ended up being a really good event. Nothing on Community Action Panel. It’s on recess for the summer.

President Nicastro: Thank you, very much. Mrs. Labow, anything on Open Space, Board of Health, or Stigma?

Open Space Committee Report
Board of Health Report
Stigma Committee - none

Mrs. Labow: Yes. It really . . . very interesting Open Space meeting last night. We are going to be having Barbara Davis from the Land Conservancy . . . is doing our updated Open Space Map. She brought a map last night. We were there for like two and a half hours. It was just very . . . like pointing all of the different things out and we’re going to do a tour of the Town too, on July 8, 2019. Andrew, if you’d like to come, it would probably be very interesting. It’s regarding . . . and it’s going to be like the Open Space Committee meeting. Hopefully, Andrew and Barbara . . . and we outlined a lot of different, you know, special areas, what it means, I mean, farmland, County owned, State owned, all kinds of . . . it’s just incredible. When you look at our whole entire Town, and all these color coordinated blotches on the . . . it’s really amazing. I just . . . it’s going to, when it’s all finished, it probably won’t be finished till early next year, 2020, and we’ll be able to put it online on the website and it’ll be interactive. So, you’ll be able to actually click on a spot and get some history on it, which is . . . oh, just so great. So, we were really, really excited last night. It was a wonderful time. The other thing we had asked about . . . what’s going on with the braille trail signs? Any update on that?

Mr. Tatarenko: DEP took them down. They said it’s . . .

Mrs. Labow: Right.

Mr. Tatarenko: . . . not a braille trail anymore, so . . .

Mrs. Labow: Did they? Barbara was saying . . . why? I mean, we got the approval from the State before everything was done.

Mr. Tatarenko: Yeah, they took the signs off in Stanhope and in Mount Olive.
Mrs. Labow: In Mount Olive.

Miss Tomasello: They thought it was inadequate.

Mr. Tatarenko: Yeah, they thought it wasn’t technically a braille trail. It was inadequate.

Mrs. Labow: Even though they approved it when it was done?

Mr. Tatarenko: I can follow up and see if they have any more.

Mrs. Labow: We should get our signs back. They should bring them back.

Miss Tomasello: They do have them.

Mrs. Labow: Yeah, but they should . . .

Miss Tomasello: They have them.

Mrs. Labow: . . . but they need to give them back. Those were important signs. So, that was . . . and then we did discuss the . . . last night, the Waterloo Valley Road issue because one of our members is also on the Environmental Committee and the Musconetcong Committee and he has a meeting next week. So, what I did was, I had actually made copies of the Minutes from the Planning Board meetings and you know, really just had a timeline so I could show everybody the process, what it means, and what they went through and so on and so forth. So, that was really good. We discussed all of that and that’s about it for the . . . oh, and then the Health Department. They’re working . . . it’s called the CHA, C-H-A, the Community Health Assessment and they just sent out the draft yesterday. They have a meeting tomorrow morning. That was where, last year, I don’t know if any of you remember, we were all taking that survey that asked about different health needs and environment, your family, that type of thing and they have . . . all the data is put together. I did get the email today with the draft copy and I have a call out to Trevor to see. I want to make sure I could share it because it says draft. So, I don’t know like how . . . like I was going to send it to all you guys but I’ve got to see if I can. You know, at this point they might want to wait until after tomorrow’s meeting to, you know. Did you see? You must’ve.

Mr. Tatarenko: I did see it. Yeah, it’s pretty impressive.

Mrs. Labow: Wasn’t it impressive?

Mr. Tatarenko: Mhm.

Mrs. Labow: It was so impressive and it was . . . I don’t know. I must’ve spent an hour reading through all of it, today. It was very informative. Two days, I’ll tell you. Talking about . . . I don’t want to say I’m on Mount Olive overload but all this exciting, interesting information. It’s incredible. Then you just wonder like, “How could we get it all out to our residents?” so everybody knows everything that’s going on too. That’s about it for tonight, thank you.

President Nicastro: Thank you, very much. Mr. Mania, anything on Legislative or Planning?

Legislative Committee Report – none
Planning Board Report

Mr. Mania: Nothing on Legislative. We have a Planning Board meeting this Thursday night.

President Nicastro: Thank you. Mr. Roman, anything on Recreation or Pride?
