Temporary Chairwoman Labow: Thank you, yes. I’ll be there for Shred Day, believe me. Are you still going to be giving out the passes for the pool . . . people who have already paid for them, at the gate, so to speak?

Mr. Tatarenko: An email went out today letting everybody know that if you registered online to come pick up your badges before 4:30pm on Friday. Mr. Tatarenko: No sign ups, no cash transactions.

Temporary Chairwoman Labow: No, right.

Mr. Tatarenko: You have to be registered beforehand.

Temporary Chairwoman Labow: Now, you said Friday by 4:30pm. Generally we close about an hour early when it’s a holiday weekend, so they should be there by 3:30pm.

Mr. Tatarenko: I’ll confirm with the Recreation Department.

Temporary Chairwoman Labow: Yes, thank you. I just . . . just in case.

Mr. Tatarenko: Mhm.

Temporary Chairwoman Labow: Alright, very good. That’s really great news that we are going to have our pool. Something else?

Mr. Tatarenko: Park Place, the road will be closed for a waterline installation tomorrow, tomorrow.

Temporary Chairwoman Labow: Very good.

Mr. Tatarenko: Thank you.

Temporary Chairwoman Labow: All right, do we have any Old Business? Seeing none. Do we have New Business? Now we have Legal Matters.

OLD BUSINESS – none

NEW BUSINESS – none

LEGAL MATTERS – none

Mrs. Sharpe: Nothing to report today. Thank you.

Mr. Stewart: Yay.

Temporary Chairwoman Labow: Council Reports, Mr. Amianda. You have the Board of Education and Senior Citizens.

COUNCIL REPORTS

Board of Education Liaison Report
Senior Citizen Liaison

Mr. Amianda: Yes, Madam President. I have reports. Board of Education Liaison report: Mount Olive Board of Education held its regular meeting at Mount Olive Middle School, 6:30pm. After opening activities, Board of
Education went into Closed Meeting for ten minutes. Next, the Board of Education held the Winter Sports Board of Education Award Ceremony. Board took action on Personnel, Curriculum and Instruction, Business, and HIB (Harassment, Intimidation, and Bullying) reports for May. The Board approved Bid for Boiler Replacement at Mountain View School. Board accepted the School Bus Emergency Evaluation Drill reports for each school in accordance with NJ Administrative Code (NJAC6A.27-11.2). Board of Education agreed to permit District schools to be used as voting stations for June 5, 2018 Primary Elections. For the Senior Citizens Liaison, May 2018 is Senior Citizen Month in the State of New Jersey and in the Nation. May 30, 2018 will be Social Meeting for seniors with ice cream. That’s the end of the reports.

Temporary Chairwoman Labow: Thank you, Mr. Amianda. Mr. Ferrante, do you have your reports for us?

Environmental Committee - none
Lake Issues
Library Board Liaison

Mr. Ferrante: Sure, I have the May Library Director’s report. The Library presented a $400.00 check to the Mount Olive Food Pantry as part of the Library Week Amnesty Drive. Attendance at both children and adult programming has increased year over year, as of April. However, items checked out are decreasing. We have the latest lake survey which was completed on May 10, 2018. We continue to see milfoil and curley-leaf plants scattered throughout the lake. Water clarity was very good and the second half of the split fluridone treatment was performed last week.

Temporary Councilwoman Labow: Very good. Mr. Stewart.

Economic Development Committee Report
Community Action Panel Report

Mr. Stewart: Today we held the Mount Olive EDC meeting with Andrew, Jeff Stadelman who is the Chair, myself, and we had Megan Hunscher who is the head of the Morris County EDC to start doing some coordinated efforts to help promote the Town’s business and community perspectives. Also, there is a grant in process that Andrew is driving in conjunction with the Mount Olive Chamber as well, to get some money to help fund the flyer and a brochure for the business community to promote that within the Township. There’s a lot of positive stuff going on with the EDC and then we’ll be expanding that, I guess soon as well. Concerning the Community Action Panel, on May 10, 2018 held a program called “Until Help Arrives”. Special thanks go out to our Chief of Police Steve Beecher for recommending the speaker that came from the State to do that for us. They did a phenomenal job and it was attended by about 40 different business community members.

Temporary Councilwoman Labow: Very good, thank you. Mr. Mania.

Legislative Committee Report – none
Planning Board Report

Mr. Mania: Yes, we had a Planning Board meeting Thursday night and we had ARD which were developers, which were the owners of the property that Morris Chase developed. They’ve been getting an extension since 1981. The reason why they couldn’t build on those lots, DEP denied them because the lots were too wet. They said “we’re going to wait until the lots dry out.” Now, again they’ve had extensions since 1981 and when the principal Mr. Law was asked “what has he done since 1981?”, he said he was quite busy in Florida, with his business in Florida. Which, in other words is telling us “I’m not interested in New Jersey, I live in Florida and I got business in Florida that’s more important.” As a result, there was a unanimous decision to deny any more extensions. The Budd Lake Diner was on next. Our recording device went bad and we couldn’t finish the meeting.

Mr. Stewart: Oh, gosh.

Mr. Mania: We had to adjourn the meeting because we couldn’t record it.

Miss Masser: It’s been fixed since.

Mr. Mania: It’s been fixed?

Miss Masser: They came in yesterday.

Temporary Chairwoman Labow: They have to come back?
Mr. Mania: Yes.

Temporary Chairwoman Labow: What are they looking to do?

Mr. Mania: Pardon?

Temporary Chairwoman Labow: What’s Budd Lake Diner looking to do?

Mr. Mania: They’re looking to expand their lot for, to park 12 more cars.

Mr. Stewart: Not the gas station next door?

Mr. Mania: No, but he’s somebody that’s kind of speaking against it. He was there at the meeting.

Temporary Chairwoman Labow: Anything else Mr. Mania? Your Legislative Committee report, nothing?

Mr. Mania: No, nothing.

Open Space Committee Report
Board of Health Report
Stigma Committee

Temporary Chairwoman Labow: Okay, and for myself . . . well the Board of Health, we had a meeting last week and had a special meeting during the week with the department. They’re . . . we’re working on an accreditation program, which the book is huge. It’s going to be years of work but it looks very interesting and it’ll enable them to apply for more grants and get funding and so on and so forth. It’s just a wonderful program and it’s really cool how they really embrace the whole thing of it there. Everybody’s looking forward to getting through this. The Board of Health meeting went well, I think it was 10 minutes and we were done. We didn’t have a lot to discuss. Then we go on to Open Space Committee. One question I just want to ask Andrew: did they bring the sheep and the goats here yet for Project Chew?

Mr. Tatarenko: I don’t know, I’ll find out.

Temporary Chairwoman Labow: Yes, okay, thank you. I was going to call you earlier today and ask you and I didn’t get a chance. Then, we have some grant applications going in for some more trail work that we want to have done. They keep talking about having a . . . what are those, a geo something or other? I don’t understand those.

Mr. Tatarenko: The mapping?

Temporary Chairwoman Labow: Yes, okay, thank you. I was going to call you earlier today and ask you and I didn’t get a chance. Then, we have some grant applications going in for some more trail work that we want to have done. They keep talking about having a . . . what are those, a geo something or other? I don’t understand those.

Mrs. Sharpe: Geocaching, or something like that?

Temporary Chairwoman Labow: Yes, geo cat . . .

Mrs. Sharpe: Caching.

Mr. Ferrante: No.

Temporary Chairwoman Labow: No? Well, anyway, it’s supposed to be a fun thing, you do it on the trails. You hide things and you go looking for them, I don’t really under . . .

Mr. Tatarenko: Right, it’s like a virtual scavenger hunt.

Temporary Chairwoman Labow: Yes.

Miss Masser: I’ve done it.

Ms. Tomasello: The kids all do it.
Temporary Chairwoman Labow: Yes.

Miss Masser: It’s fun.

Temporary Chairwoman Labow: Yes, that’s what they say. It’s a lot of fun so they’re just talking about different ways to get the public more knowledgeable on the trails. Where they are, you know, and so on and so forth because as hard as we’ve been working on blazing the trails, we’re not getting a lot of use out of the trails. You know, just try to have some kind of event to . . . and we think once people see the trails and how beautiful they are and how easy they are to get to, that maybe we’ll have some more people using the trails. Let me see, what’s my other one? Stigma Committee. Well, last night we had our meeting for MOMAC and Stigma and we’re trying to figure out a good way for people to understand like what Stigma is, like a good definition because there seems to be a lot of confusion along those lines. That’s about it. One other thing, I’m sorry. MOMAC, the County had given Lisa Brett a bunch of packages to pass out to alcohol serving places or tobacco serving places that had like a . . . to identify fake IDs, so we were all given a package and we all committed to a store to go bring them to. I brought mine to George’s Liquor, Jack was really . . . he’s like “oh, this is cool!” so that’s what we did last night. That’s all I have to report. I would like to open the meeting to the public, anybody from the public have anything? No? Nothing? Okay. I should ask, did you guys deliver your packages yet? They had them too. Okay, then we have Council comments. Well, I have to close. Close the meeting to the public and now Council comments.

Mr. Mania: Got to ask Daniel first . . . Mr. Amianda.

Temporary Chairwoman Labow: Yes, Mr. Amianda.

Recreation Liaison Report – none
Pride Committee - none

COUNCIL COMMENTS

Mr. Amianda: Yes, I have a comment on Mt. Olive Life magazine. I don’t know if you have seen it. I thank the publishers, Joe Nicastro and his wife Mary Lalama for the Mt. Olive Life magazine. The magazine tells all you want to know about our hardworking people that make Mount Olive Township great. I thought it was something new and everybody should read it if you have a chance. Thank you.

Temporary Chairwoman Labow: Thank you. Mr. Ferrante.

Mr. Ferrante: I just want to congratulate Mr. Stewart for his induction to the Senior Hall of Fame of Hackettstown. That’s it.

Mr. Stewart: Thank you, sir.

Temporary Chairwoman Labow: Mr. Mania.

Mr. Mania: A couple of things. One, my deepest sympathy to the parents of the children involved in the school bus traffic accident. It should’ve never happened but it did and my heart goes out to their parents. Secondly, I’d like to congratulate Mr. Stewart on his induction into the Senior Hall of Fame.

Mr. Stewart: Yes. It reinforces what my daughter tells me all the time, that I’m old.

Temporary Chairwoman Labow: Mr. Mania, you have any other, are you . . . that’s . . . do you have any more comments?

Mr. Mania: Just a comment about that.

Temporary Chairwoman Labow: Yes.

Mr. Mania: My parents always used to say in Italian, *speaks Italian* which means “I once was like you, you better hope you get like me.” The alternative is not good.

Mr. Stewart: You’ll have to teach me that.

Mr. Mania: I will.
Mr. Stewart: I’ll use it with my Chinese daughter.

Temporary Chairwoman Labow: Mr. Stewart.

Mr. Stewart: Thank you and thank you for all the compliments everybody, but a special shout out to Lisa Brett for chairing MOMAC and the efforts that are going on, both with Stigma as well as for MOMAC, as a perspective. Just a reminder, August 7, 2018 will be National Night Out that is sponsored by, through MOMAC . . .

Temporary Chairwoman Labow: Thank you.

Mr. Stewart: . . . and the Police Department.

Temporary Chairwoman Labow: Anybody that wants to make a donation for it because they want to make sure it’s a free event for everyone, so anybody wanting to do any sponsorship, let us know. Contact Carl Mase, Officer Mase. Anything else Greg?

Mr. Stewart: No, thank you.

Temporary Chairwoman Labow: I also want to congratulate Mr. Stewart. I have to say in the time I’ve know Greg, I don’t know how many years now, everything Greg gets involved in he embraces it a million percent. Very impressive and I’m glad that you’re being recognized . . .

Mr. Stewart: Thank you.

Temporary Chairwoman Labow: . . . because you work very, very hard but you do it from your heart and I think when you get nominated and awarded for different things, I think you’re like truly surprised . . .

Mr. Mania: Deserving.

Temporary Chairwoman Labow: . . . you’re very deserving but you’re like surprised like “Oh, no, no. Somebody else.” but absolutely wonderful, thank you so much. The other thing I just want to say in regards to the bus accident, the horrible Paramus bus accident, not only are the families of the injured and deceased affected so deeply, it’s horrible. One of our first responders posted on Facebook and said this is something they always train for and hope they never ever have to use their training for it and just the thought of having 43 victims laying on the side of the road and hanging out of the bus, I mean it’s . . . the horror that you go through to see them.

Mr. Mania: That’s hard.

Temporary Chairwoman Labow: Yes. It’s just . . . you know, and I could even tell when Rob, our Mayor, when he was on the TV doing an interview, I waited a few hours and I sent him a text. I wanted to know how he was because I could tell even in . . .

Mr. Mania: He was choked up when he was talking.

Temporary Chairwoman Labow: Yes, it was . . . and so like everybody, it just affects you 100 percent but I am very grateful that we did have our first, you know first responders and all of our surrounding areas and our police officers that were there. They’re very compassionate, caring people and that they were there to help all of these victims . . . that’s greatly appreciated. I hope everybody mends as well as they possibly can. With that, I’d like . . .

Mr. Mania: Just an afterthought, keep all the victims and their parents in your prayers.

Mr. Stewart: Right.

Temporary Chairwoman Labow: Absolutely, and our first responders . . .

Mr. Mania: Yes.

Temporary Chairwoman Labow: . . . as well, everybody. Everybody is affected by this. I know even, we weren’t even there or anything and it just takes a toll on you. May I please have a . . .
Mr. Mania: It’s got to be a tragedy to lose a child.

Temporary Chairwoman Labow: It is horrible. Can I . . .

Miss Masser: I think Andrew had . . . I think wanted to say something.

Temporary Chairwoman Labow: Andrew?

Mr. Tatarenko: On that note, I spoke to the Mayor the other day and he wanted to purchase a tree from the Tree Bank Fund and plant it at the Memory Garden . . .

Temporary Chairwoman Labow: Nice.

Mr. Tatarenko: . . . in remembrance of the . . .

Mr. Mania: That’s nice.

Temporary Chairwoman Labow: What a great idea.

Mr. Mania: Very nice thought.

Mr. Tatarenko: We’re working on that.

Temporary Chairwoman Labow: That’s an excellent idea.

Mr. Mania: Excellent idea.

Temporary Chairwoman Labow: Wonderful. Absolutely wonderful. Do I have a motion to adjourn?

ADJOURNMENT - Motion made and seconded. All in favor, none opposed, the meeting was adjourned at 7:33pm.
